PRODUCT CERTIFICATION
#8040

IOAS

ISO65 Contract # 23

This certificate is valid only to document the OCIA verification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for approval by appropriate authorities. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this Certificate will only be used to demonstrate that products produced are compliant to the above named program. This certificate is issued under the accreditation program managed by the International Organic Accreditation Service (IOAS) and by the American National Standards Institute (ANSI). This certificate is valid only until the expiration date or until it is revoked.
